LONG RANGE PLANNING is published bi-monthly and is available on subscription from the Subscriptions Manager, Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, England. Tel. Oxford 64881. Subscription rate 1979, U.S. $90.00 per annum (including postage and insurance).

Specially Reduced Rates to Individuals
In the interests of maximizing the dissemination of the research published in this important international Journal, we have established a two-tier price structure. Any individual, whose institution takes out a Library Subscription, may purchase a second or additional subscription for their personal use at the much reduced rate of $30.00 per annum.

Members of the Society for Long Range Planning receive the Journal as part of their subscription dues for the Society paid direct to the Society at 15 Belgrave Square, London SW1X 8PU.

Microform Subscription and Back issues
Back issues of all previously published volumes are available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfilm simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.
